 Latching Dog Handle PN # **0031-0010**

100% TOPSIDE INSTALLATION

FREEMAN MARINE offers a distinctive line of stainless steel hardware components for marine closures. These elegantly styled and precision finished components enable builders to custom fabricate closures that enjoy hardware quality and durability previously available only in Freeman produced products.

- Smooth, flush deck or proud mounting capabilities
- Easy 100% topside installation
- Lifting handle and latching dog models
- No need to disturb interior trim for closure removal or repair
- 316L stainless steel, the highest grade available
- High gloss polished finish
- Precision CNC machined for accurate fit and dependable function
